

Registration Form

2019 Hawai'i Grazing and Livestock Management Academy

January 24, 25 & 26 2019

Location:

Lihue State Office Building, Rm 209
3060 Eiwa Street

5:30pm-8:30pm: January 24 & 25
8:00am-12pm: January 26 (Field Day)

The Hawai'i Grazing and Livestock Management Academy is an educational program for livestock producers and land managers of all levels of experience. The program provides classroom instruction and field experience in sustainable grazing and livestock management practices with the goal to help participants understand, develop and manage economically, ecologically, and socially sustainable livestock production systems.

Presented By: Dr. Mark S. Thorne, State Range and Pasture Extension Specialists
University of Hawai'i at Mānoa-CTAHR-CES
